WSLL President Ron Zabko

Dear WSLP Families and Members,

Thank you for allowing me the opportunity to serve as WSLP's president for the past three years. The 2018 season was my third and final year as president of WSLP.

The 2018 season saw the formation of our first Intermediate (50-70) division for our League Age 13 kids. I want to thank all the coaching staff, the players, and parents who help make this team successful. There were many bumps in the road, and some potholes too, but we were able to smooth them out and claim success at the end of the season – thank you all!!

We also developed an umpire training curriculum led by our Chief Umpire, Al Beyer, and former league President Steve Gillingham. This added more structure to our training program which enabled many of our young adults and adults to obtain the necessary skills to become Little League umpires.

In addition to umpire training, we were able to expand our player development (training) program by adding training classes for our tee-ballers through AAA. Our tee-ballers and single A players enjoyed a three-week session on throwing, hitting, and catching. Our double A players enjoyed a four-week session for pitching. Our coaches were able to gain knowledge and experience from a seminar prepared for WSLP by WSHS. lastly, we were able to hold three on-field training classes on Yankee during the season.

Finally, our website and on-line registration was a huge success thanks in part to all of the volunteers led by Mike Williams. By having the website up and running, we were able to get on-demand reports on registration which enabled us to make real-time decisions on the health of WSLP.

I want to thank all of my fellow BOD members for all of their support and dedication for these initiatives and to WSLP. I enjoyed working with all of you! I want to say a special thank you to John Monaco for all of his sage advice and guidance over the years – thank you! I also want to thank all of the players and parents for making WSLP one of the best Little Leagues in the area. Thank you!

Good luck to my successor, Mike Warble, and continued success!

Sincerely – Ron Zabko, WSLP President

Just a Little Boy

He stands at the plate with heart pounding fast.

The bases are loaded; the die has been cast.

Mom and Dad cannot help him, he stands all alone.

A hit at this moment would send the team home.

The ball meets the plate; he swings and he misses.

There's a groan from the crowd,

with some boos and some hisses.

A thoughtless voice cries: "Strike out the bum."

Tears fill his eyes; game's no longer fun.

So open your heart and give him a break.

For it's moments like this, a man you can make.

Keep this in mind when you hear someone forget.

He's just a little boy and not a man yet.
